

Traditional Marriage Being Stolen In Oregon!

October 23, 2007

Oregon voters who support traditional marriage and morality are being denied their right to vote, for purely political reasons by State and County Elections officials in the pockets of Oregon's homosexual lobby!

No Review, No Recourse, No Recount Allowed!

Registered voters whose signatures on two petitions were unlawfully rejected at the State and County levels have steadily come forward requesting their signatures be validated only to find a stone wall of resistance and refusal to do so in Several Oregon Counties.

The Reason is Clear: Political Correctness Trumps Citizen Rights!

The reversal of 7 rejected petition signatures will force the Elections Division to certify that a bill passed by the Oregon Legislature creating marriage by another name is qualified to be placed on the November 8, 2008 General Election ballot on which Oregonians can vote. Officials in both the County and State Elections Division do not want that to happen, hence the political stone walling of fundamental citizen rights for purely political reasons!

Stop the Tyranny and Political Game Playing!

Call Oregon's Elections Officials and Urge them to do the right thing!

As the civil rights movement in the sixties restored the right to vote for many Americans, it is time to restore the voting rights of pro life, pro family, pro traditional marriage and morality citizens of all ethnic groups in Oregon.
